Many of our members have asked what they can do to help people affected by the recent California Wildfires.

There are a huge number of people and families affected by the California wildfires who are stranded and in a state of limbo. 150 California REALTORS® have lost their homes and two Association of REALTORS® offices were destroyed in the recent devastating wildfires.

Here's how you can help. The California Association of REALTORS® operates a Disaster Relief Fund with online donations and assistance for those in need available here:

The REALTORS® Relief Foundation is dedicated to providing housing-related assistance to victims for disasters, as well: <https://www.nar.realtor/about-nar/grants-and-funding/realtors-relief-foundation>.
