

AN IMPORTANT MESSAGE FROM SVVAR's GOVERNMENT AFFAIRS DIRECTOR ABOUT OPEN HOUSE SIGNS

Hi, REALTORS®!

The good news is that in the City of Sedona we seem to be 'at peace' with Open House signs. You are keeping them outside the sidewalks and roundabouts or the center islands.

But in VOC some people are not following the rule of placing Open House signs between the sidewalk and the adjoining private property -- they're getting put on sidewalks or even in the roundabout. You'll get busted and lose your sign so please comply. Call me if you lose a sign and tell me location.
