

Rooms Tab Update - Coming Soon!

You will soon see updates to how the Rooms tab looks and works on your Add/Edit listing screen. These changes make the Room entry process faster and comply with the highest level of industry data standards.

Your Current Rooms Tab:

Room Name	Length	Width	Room Level
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
