

## ANNOUNCING NEW FLOOD MAP OVERLAY IN FLEXMLS

You Are Now Able to Apply a Map Overlay of FLOOD ZONES as  
Determined by Current FEMA Data

### I WANT TO SEE THE NEW FLOOD MAP OVERLAY! HOW DO I DO THIS?

Do a search. Click on the "Map" tab. In the upper right, click on the "Overlays" drop-down list and select "Flood Zones".

You can also select the legend display icon in the lower right of the screen to see what type of flood zones are depicted
