

July 26: Emergency Siren Test in Oak Creek Canyon and Uptown Sedona

The Sedona Fire District and Coconino County Emergency Management will test the emergency siren system in Oak Creek Canyon at approximately 10:30 a.m. on Wednesday, July 26.

Area residents are also encouraged to register their phone numbers in the CodeRED emergency notification system at coconino.az.gov/emergency. It is important to register all phone numbers to be contacted in an emergency. For additional information, call (928) 679-8311.
