REALTOR® DAY AT THE CAPITOL REPORT

Yesterday, 9 members of SVAR attended the REALTOR® Day at the Capitol event in Phoenix, hosted by the Arizona Association of REALTORS®.

They met with Senator Sylvia Allen, Representatives Brenda Barton and Bob Thorpe, our Legislators from District 6, and discussed 2 important pieces of legislation that will come up this year.

Real Estate Signage and Private Property Rights, specifically water, will be closely watched as we start the 2018 legislative session.

Watch for a Call For Action from AAR on these issues as they come up for a vote.
