ANNOUNCEMENT FROM THE NATIONAL ASSOCIATION OF REALTORS®

The **National Flood Insurance Program (NFIP)** will **expire** on **July 31** , denying necessary insurance coverage to homeowners and buyers in more than 20,000 communities nationwide. Congress must act now to reform and extend the NFIP.

[Urge Congress to extend the NFIP and pass meaningful reforms to ensure long-term viability of the program](#)

NAR Supports:

- Reauthorizing and gradually strengthening the NFIP so it is sustainable over the long run;
- Encouraging the development of private market options to offer comparable flood insurance coverage at lower cost than NFIP;
- Providing federal assistance to high-risk property owners, including guaranteed loans, grants and buyouts in order to build to higher standards and keep insurance rates affordable;
- Provide fair flood insurance rates that better reflect the property's flood risk;
- Improving flood map accuracy, so fewer property owners have to file expensive appeals.
