

HOA Addendum Is Now Required for All Listings With HOA Field Marked With Anything Other Than "None" (for all HOA listings, not just new ones)

*****LISTING AGENTS - THIS IS IMPORTANT***** - If ANY of your current listings have something other than "None" in the HOA Field, and you make ANY change to it and hit "SAVE," the listing will require you to upload the HOA ADDENDUM.

*****EVEN MORE IMPORTANT***** - This listing will seem to have disappeared but, don't worry, it's still in there.

In order to find the listing to upload the HOA Addendum:
Click on "Menu" at the upper left

Under Add/Change, select "Change Listing."

Then upload the HOA Addendum in Documents.

NOTE: If you have just Closed the listing, Flexmls won't allow you to add the addendum, so please email the HOA Addendum to info@svvar.com and we will add it for you.
