### "Changes in Flood Maps and Flood Insurance Update"

Flood risks in Yavapai County change over time due to community growth, erosion, wildfire and other factors.

The Yavapai County Flood District (YCFCD) continues to update the County's flood maps to provide residents and business owners with a better understanding of their current flood risk. Updating flood maps could mean changes in flood insurance requirements and costs.

YCFCD's Lynn Whitman will provide an update on the different County mapping projects.

Outreach and insurance specialist, Bruce Bender will discuss the impact of map changes on insurance and options County property owners may have.

Don't miss this opportunity to learn where the map changes are occurring and insurance options your clients may have.

Cost \$10.00 includes lunch and meeting.  
There is limited seating so REGISTER TODAY at <https://goo.gl/1MJQe> and click on Events.
