**Please wear a face mask for your appointment.**

Our office is offering limited business hours. During this time, all the same benefits are available via email, telephone or by appointment. Call 928-282-5409 or email [info@svvar.com](mailto:info@svvar.com).

We are returning calls and emails in the order we receive them. We are experiencing a high volume of both voicemails and emails. Although we try to answer calls and emails within the hour, we sometimes face delays and appreciate your patience.

In-Person MLS Home Tours are currently on hold for now because of the many unknowns about COVID-19.

Virtual Home Tours and Virtual Open Houses are available on Flexmls. If you need help with these features, please call **Flexmls Support at 888-525-4747**.

Questions can be emailed to [info@svvar.com](mailto:info@svvar.com). Alternately, voicemails can be left at (928) 282-5409. We will continue to check the voicemails hourly and return calls.
